Adish Kumar Narayan, hereby move:

(1) that in exercise of the powers vested in it under Sec 43 of the Legal Practitioners Act, the Fiji Law Soc revises the fees for a Practising Certificate to be $300 per annum, and

(2) that the membership fee be revised to $100.00 annum and that as no entrance fee or affiliation fee payable that no pro-rate rate be applied and that the amount be paid irrespective of when membership sought.

Reasons for change:

The present membership fee is $300.00 per annum and Practising Certificate fee $50.00 per annum. It is considered that the fees for a licence to practise should be greater than the membership fees. The new rates bring about an increase of $50.00 per annum in total fees and an increase is now necessary to meet the Society increased operating expenses particularly those arising from Continuing Legal Education activities.

Signed:

Adish Kumar Narayan
I, Samuela Batiniyagona Vadei, a member of the Fiji Law Society hereby move that Regulations 13 and 29 of the Regulations of Fiji Law Society be amended and replaced as follows:

i) Regulation 13.

Nominations for all appointments to the Council shall be in writing signed by two members of the Society with the consent of the nominee endorsed and shall be left with the Secretary twenty one clear days at least before the date on which the Annual General Meeting is to be held.

ii) Regulation 29.

Subject to the provisions of Regulation 40 hereof any member of the Society desiring to move any motion at an Annual General Meeting on any matter not covered by the notice convening the meeting shall notify the Secretary twenty one clear days at least before the meeting and the Secretary shall thereupon send a copy of the motion with the proposer’s name to each member of the Society or, where this is not practicable, shall send a summary of the motion and shall state where the full text of the motion may be seen.

Reasons for the Change.

Membership of the Society has increased considerably over the years and now stands at two hundred and twenty nine. These members are scattered far and wide and quite a few are abroad. Fourteen days before the meeting is not sufficient for members to lodge the nomination papers and/or notice of any motion with the Secretary for the Secretary to send ballot papers for Council elections to members and for members to send their votes to the Secretary before the Annual General Meeting. Twenty one days would be more practical.
COMMON SEAL

38. The Common Seal of the Society shall be in the custody of such person or persons as the Council may from time to time determine. It shall not be affixed to any document except upon a resolution of the Council and in the presence of two members of the Council who shall be appointed for the purpose and who shall also sign the document.

39. (a) The annual subscription of members of the Society shall be twenty-five dollars which shall be paid in advance on the first day of July in every year.

(b) All the funds of the Society including moneys received pursuant to the provisions of the Ordinance shall, unless received by the Society for any particular purpose, be available for all purposes of and incidental to the objects of the Society or authorised by these Regulations.

(c) All moneys paid to or received by the Society shall be paid to the credit of the Society at such Bank or Banks including Savings Banks as the Council may from time to time appoint.

(d) All disbursements, except petty disbursements, shall be made either by cheque or withdrawal forms signed by the President or Treasurer and one other member of the Council or in such other manner as the Council may from time to time authorise.

(e) The Council may invest any of the Funds of the Society in any manner of investment permitted by law for the investment of trust moneys and may from time to time vary or transpose any such investment.

(f) The Council may refund to members of the Council or the Society any travelling or other out-of-pocket expenses properly incurred in attending meetings of the Council or any committee thereof or in connection with any other business of the Council provided that such expenses shall be payable to members attending the Council only when the President certifies that the attendance of such members is specially desirable because of the particular business to be discussed.

(g) The Council may impose on all or any members of the Society levies not exceeding on any one occasion the sum of five guineas for each member so levied, provided that not less than 14 days notice of any such levy shall be given to the members concerned.

(h) Annual subscriptions and levies shall be recoverable as debts due to the Society.

(i) Subject to the provisions of paragraph (b) hereof the funds of the Society shall be dealt with as the Council shall direct.

(j) The financial year shall close on the 30th day of June in every year.
AMENDMENT OF REGULATIONS

40. Notice of any proposed alteration of or addition to these Regulations together with the terms of such alteration or addition shall be forwarded by the Secretary to the members of the Society not less than fourteen days before the general meeting of the Society to be convened to consider such proposals. The meeting may amend any such proposals.

41. Members of the Council and officers of the Society holding office at the time any new Regulations come into operation shall be deemed to hold office under such new Regulations.
